CONDUCT BUDGET WORK SESSION – Mrs. Allen - “The procedure, based on the board bylaws, we ask that each participant in the hearing give their name and address where they are limited to five minutes and we ask that public comments which are harassing not be given and we would interrupt or terminate a statement if it is obscene or abusive. If necessary, we will ask someone to leave if they are disrupting the meeting. Now that we’ve had the procedures, I would allow us to have public comment, is there anyone here to comment publicly on the Senate Enrolled Act 390 Public Hearing.” There was none.

ADJOURNMENT - Mrs. Allen adjourned the SEA 390 Public Hearing at 4:07 p.m.
