EXPRESSIONS FROM BOARD MEMBERS –
  Mr. Souder thinks it is interesting hearing all of the wonderful things our retirees have done over the years.

  Mr. Eash noted if you take the average years worked of all of the retirees this year it is just a little over 26 years that these employees have worked for the school system. He noted that tells something about this school system and about the administration. Thank you also to Mr. Palmer for the tour of the sports facilities.
Mrs. King would like to thank all of the retirees this evening. It is remarkable to have such a great group of people and the caliber of what they brought to our school corporation is amazing. Congratulations to our student athletes.

Mr. Miller said it is a privilege to play a role in thanking all of the retirees and also humbling. Each of those individuals has done so much for our school system.

Mr. Gayler agreed that it is a privilege to be part of the retirement celebration.
