PRINCIPAL'S COMMENTS—MR. SCHWARTZ

PARENT RESOURCE GROUP-

Any parents interested in attending parent meetings that focus on reviewing Love and Logic parenting strategies should call Mr. Francis as soon as possible at 822-5399. Love and Logic is a philosophy of raising and teaching children which allows adults to be happier, empowered, and more skilled in the interactions with children. Love allows children to grow through their mistakes. Logic allows children to live with the consequences of their choices. Love and Logic is a way of working with children that puts parents back in control, teaches children to be responsible, and prepares young people to live in the real world, with its many choices and consequences. Groups will meet on Mondays at 6:00. If you need childcare, please let Mr. Francis know when you call. The first meeting will be on Mon., November 3.

PUMPKIN DISPLAY – Congratulations to ALL students and families who decorated pumpkins for the pumpkin display. They were creative, interesting, and well-made entries. All participating students received ribbons for their efforts.

PARENT-TEACHER CONFERENCE SURVEYS - At Parent-Teacher conferences we are asking Jefferson parents to complete a Jefferson Parent Survey on topics dealing with Jefferson. Surveys will be available by the door to classrooms or from your child's teacher. Please complete this survey as you wait for your conference and return to your child's teacher or place in the container in the school lobby. These are very simple surveys that will require little time to complete. Thank you for providing us with your opinions.

NEW OFFICE HOURS - Starting November 17, the office will be open from 7:30 a.m. until 3:45 p.m.

SCHOOL PHONE NUMBER - Our phone number is **822-5399**.

GRANDPARENTS' DAY—Thanks to the grandparents who visited Jefferson during Grandparents' Day. We had grandparents from many states visiting Jefferson and reliving their school experiences with their grandchild.
