

VOLUNTEER OPPORTUNITIES AT ORCHARD VIEW ELEMENTARY SCHOOL

Dear Parents,

Here at Orchard View we think it is important to build strong relationships with our families. We have many opportunities for parents and community members to participate in our learning community. Below is a list of programs where volunteers are needed. If you are interested in volunteering please fill out the bottom section of this form by checking any programs with which you might be interested in assisting. You may either return the form to the office or have your student return the form to his or her teacher. An Orchard View staff member will be in contact with you to provide you with more specifics and set up a schedule. We are looking forward to working with you!

I would be interested in assisting with:

_____ Media Center (shelving books, helping students make selections in the media center.)

_____ Tuesday Morning Moms: We are in need of volunteers! This is open to anyone wishing to help our teachers with extra projects they are unable to complete during the day. Come and enjoy this special time to get to know other parents.

_____ ARMS Mentor (building a relationship with an individual student to provide academic or social/emotional support.) This option will require the participant to apply through ARMS. Just go to www.mcsin-k12.org/arms to fill out an application.

*Please note that anyone who volunteers must fill out a Criminal Background Check form (free of charge) and this must be approved by the Administration Office before you are able to begin volunteering. These forms are available in the front office or online at our website.
