Preventive Care

- Preventive Services are covered at 100% in-network
  - Well Child Visits
  - Adult Preventative Visits
  - Mammograms
  - Pap Smears
  - PSA
  - Colorectal Screenings
  - Immunizations (Adult and Children)

- No cost share encourages you to be proactive in taking care of your health.
Akeso is the name of our Medical Concierge Service

- Provides quality and cost information on a variety of non-emergency medical services and procedures
- Via phone call/email, the program uses an advocate nurse to guide and coach employees and their covered dependents to highly qualified physicians and the most cost effective facilities.
- This can sometimes include an option to travel for higher-cost procedures and receive a cash incentive (Hostcare)
- If you need a listed non-emergency medical service or procedure, you must contact Akeso and they will provide you with cost and quality information.
Non-emergency medical services that require Akeso Medical Concierge Service:

- **All Inpatient Services, including**: Surgery, medical, maternity, and cardiac
- **First time visit to a Specialist**
- **All Outpatient Surgeries**: Defined by ACM as follows: “Any operative procedure done at a free-standing or hospital setting by a physician to correct, repair, diagnose and/or cure an identified medical condition, disease or injury.” (Includes Colonoscopies)
- **Chemotherapy**
- **Radiation Treatment**
- **PET Scan, MRI, or CT Scan**
- **Physical Therapy; Occupational Therapy; Speech Therapy**
- **Home Health Care**
- **Transplant workups**
- **Durable Medical Equipment over $5,000**
- **Dialysis**
• $200 penalty for not contacting Akeso PRIOR to getting the service/procedure done

• The cost and quality of providers and services can vary greatly
  – Example: Colonoscopies can cost anywhere from $1,000 to $2,000 depending on the provider and facility

• High price is often not the mark of high quality medical care

• Choice of providers is yours
Employees and their dependents who are covered under the MCS medical plan have access to a No-Cost Medical Clinic

- Treat primary healthcare and wellness needs
- No deductible or copay
- Minimal waiting room time…more time with the doctor
- Medications on the Clinic formulary are dispensed free on site
- Complex health situations will be referred out and charges will be processed and paid by the Middlebury Schools medical plan.
Dr. Trisha Imhoff and staff will provide primary treatment for:

- Allergies, Asthma
- Colds, Sinus, Flu, Sore Throat
- Stomach ache, Headache
- High cholesterol, high blood pressure
- Counseling on tobacco cessation
- Wellness counseling
- And more…
Maximizing Your Benefits

- Utilize network providers to limit your out-of-pocket expenses
- Use generic medications when possible
- Select Appropriate Care

Working Spouse Provision

- If your spouse is employed elsewhere and can purchase group health coverage through their employer, they are not eligible to sign-up for the health plan at Middlebury Community Schools.
- Satisfactory documentation must be provided to MCS of unavailability of other coverage.
- If your spouse is not eligible to be covered under MCS plan, and later loses access to coverage through their own employer, they may be eligible for special enrollment to enroll in the MCS plan.
